Technical drawing of a mechanical part, likely a bracket or flange, showing dimensions and features. The part is symmetrical about a vertical centerline (CL) and a horizontal centerline (CL). The overall width is 7.71, and the overall height is 2.75. The part features four mounting holes, each with a diameter of 0.313 and a thickness of 4 PL. The mounting holes are located at the corners of the part, with a distance of 1.750 from the outer edge to the center of the hole. The part has a central rectangular section with a width of 2.77 and a height of 1.00. The corners of the part are rounded with a radius of R0.50 TYP. The central section has a rounded end with a radius of R1.50. A BEND AXIS is indicated at the center of the part. Section lines are shown at the bottom, with a B symbol indicating a cross-section.
